Volume XXXVI

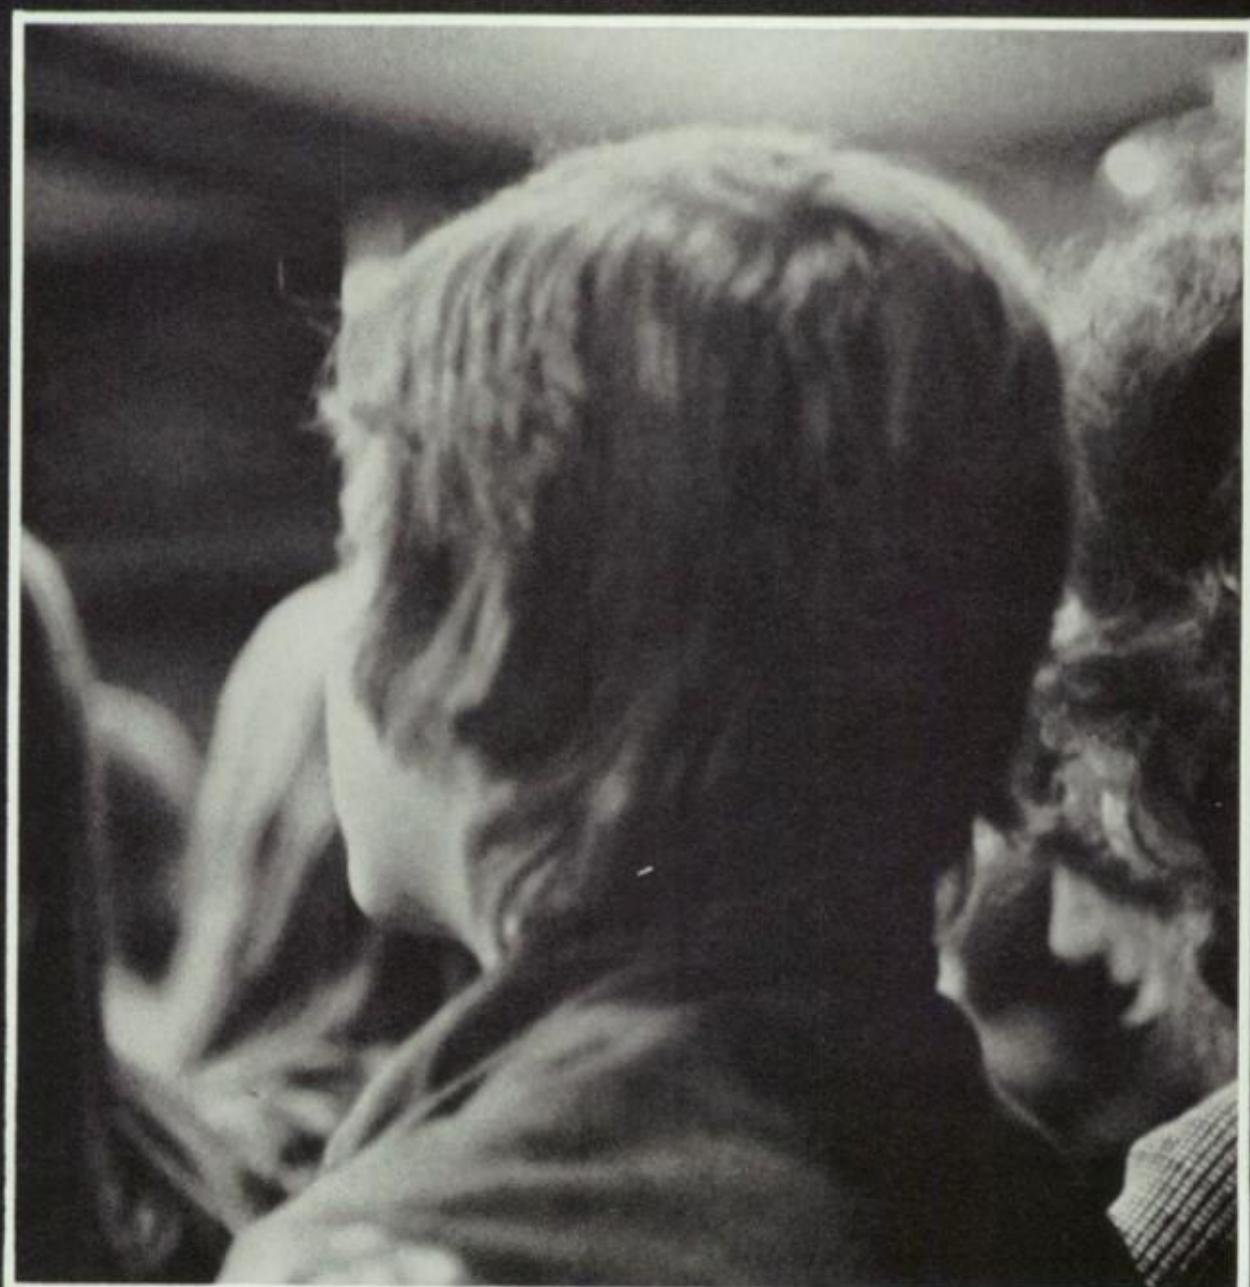

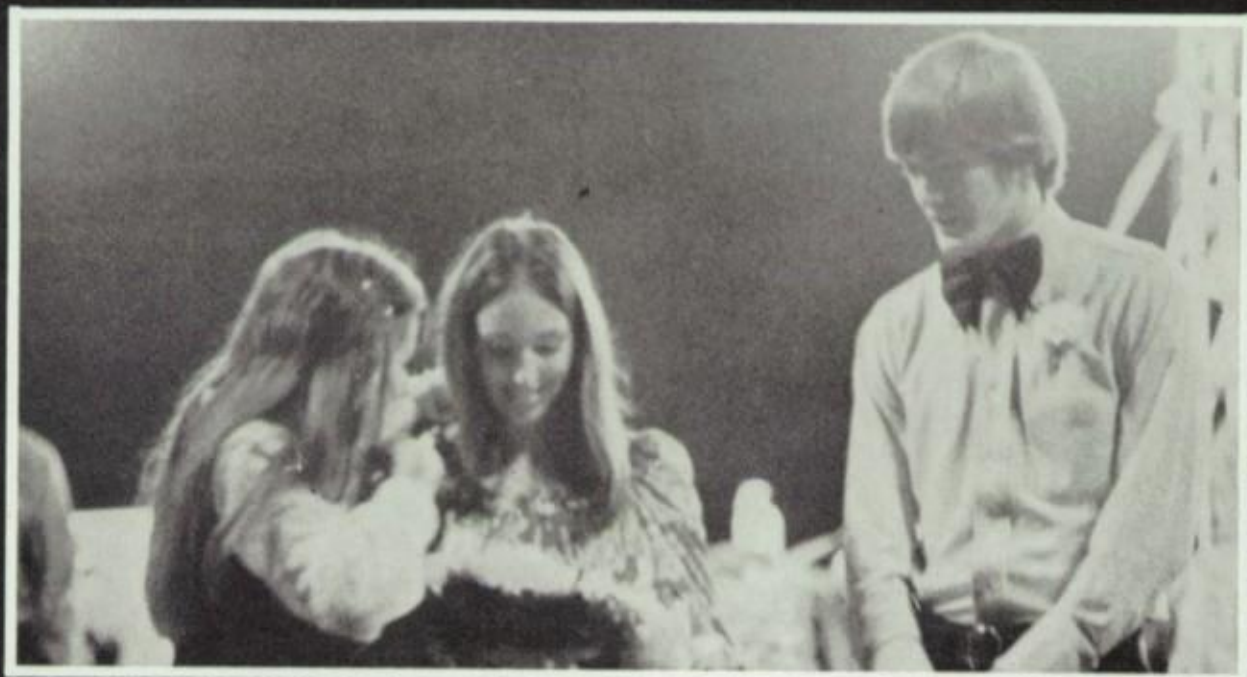

The time of our lives	16
Our heroes	38
Where we belong	64
And the beat goes on	88
Big Cheeze	102
The rookies	122
The time has come . . .	144
Come and get it	172

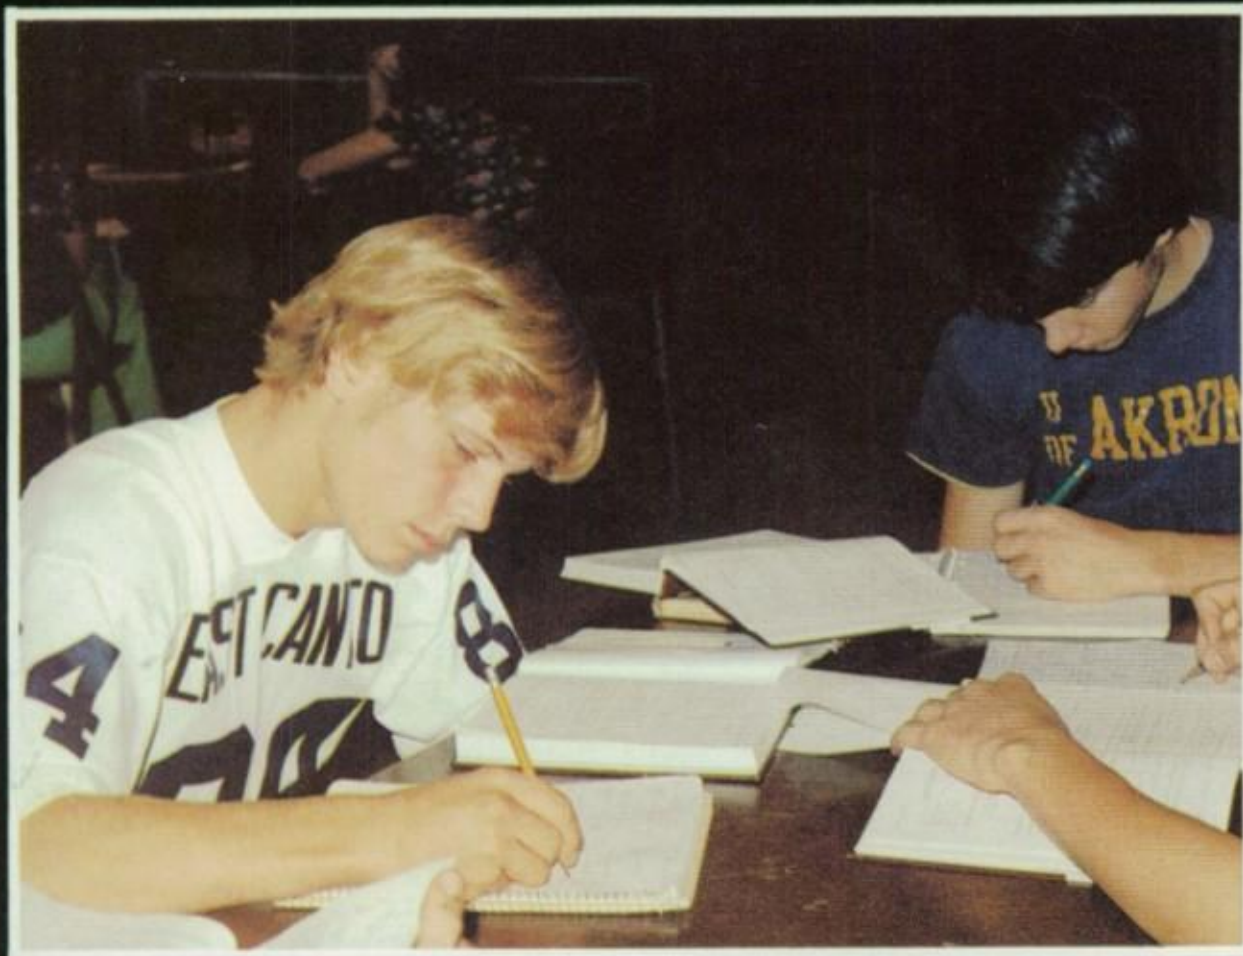

Memories . . .

Light the corners of my mind.

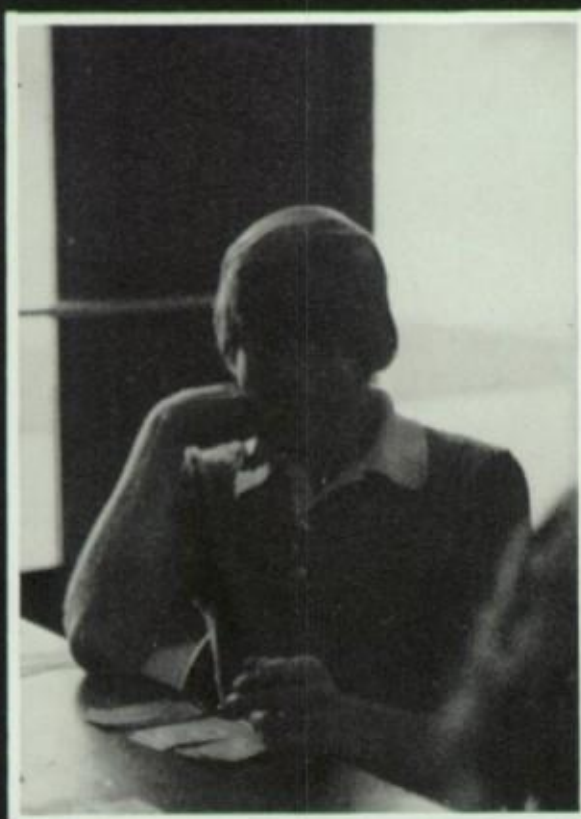

Misty water color memories . . .

of the way we were.

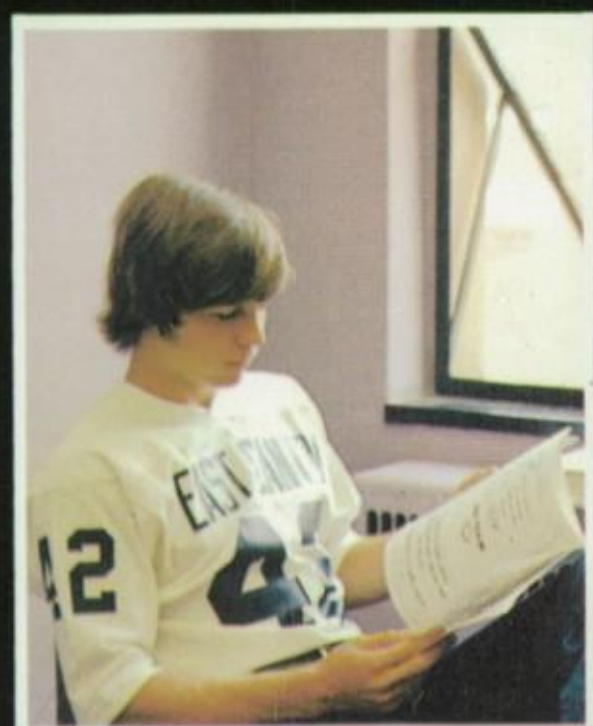

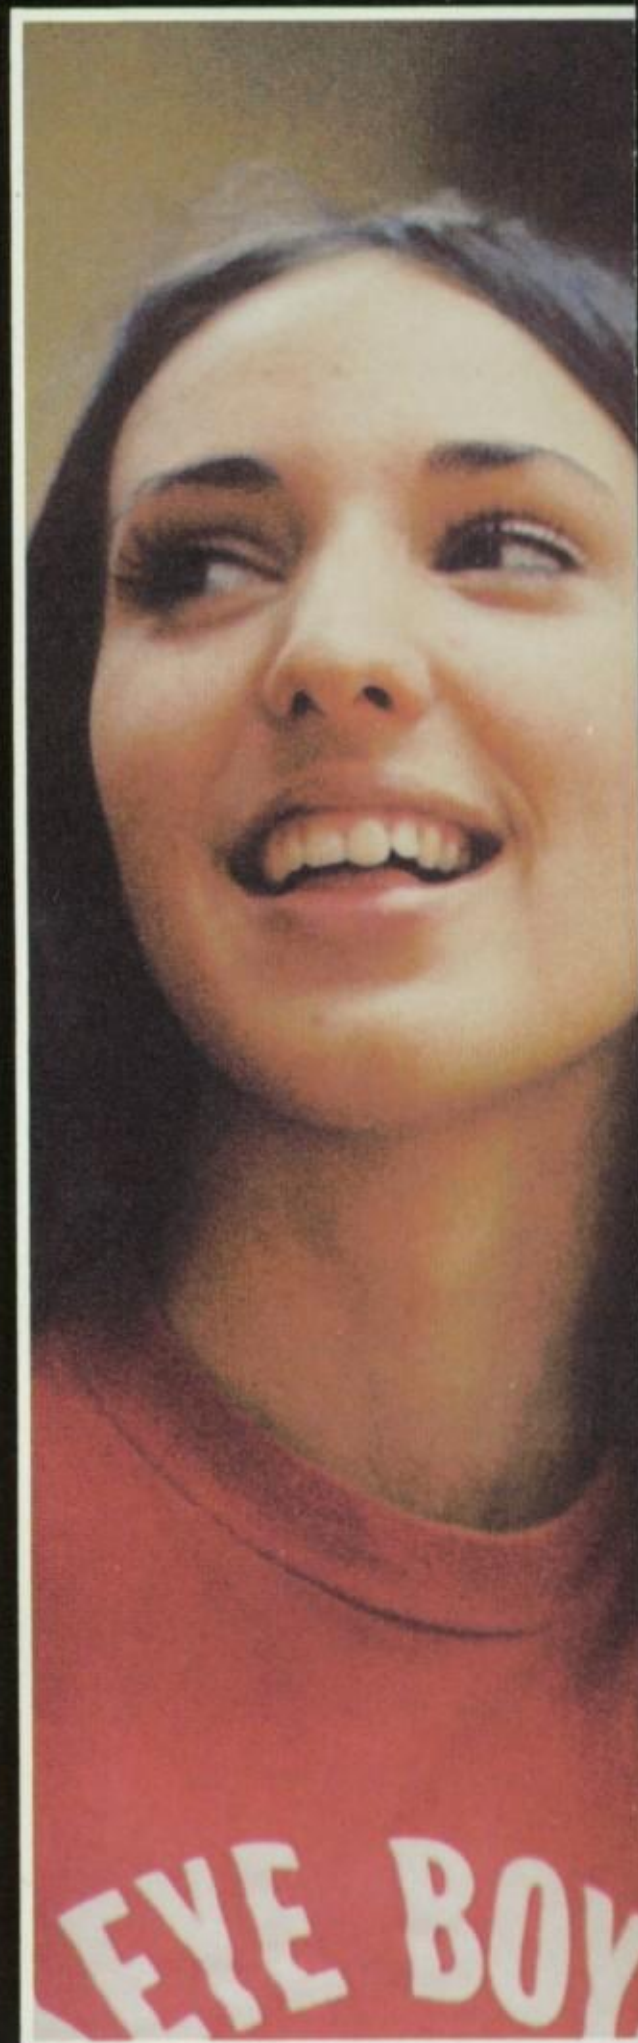

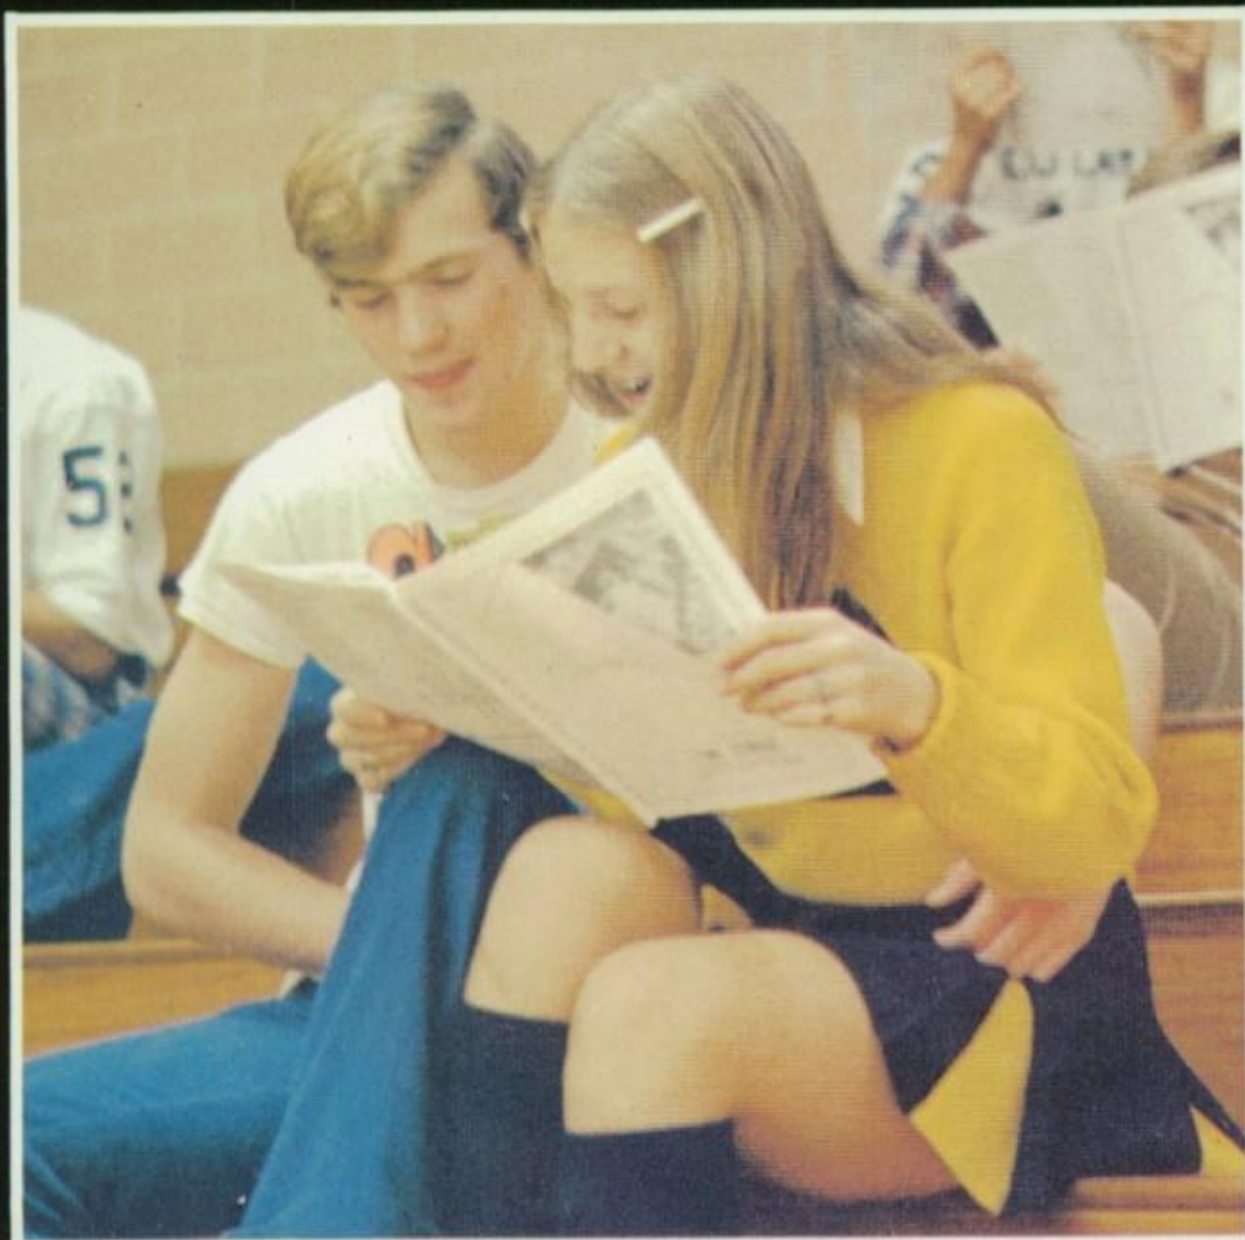

Scattered pictures . . .

of the smiles we left behind.

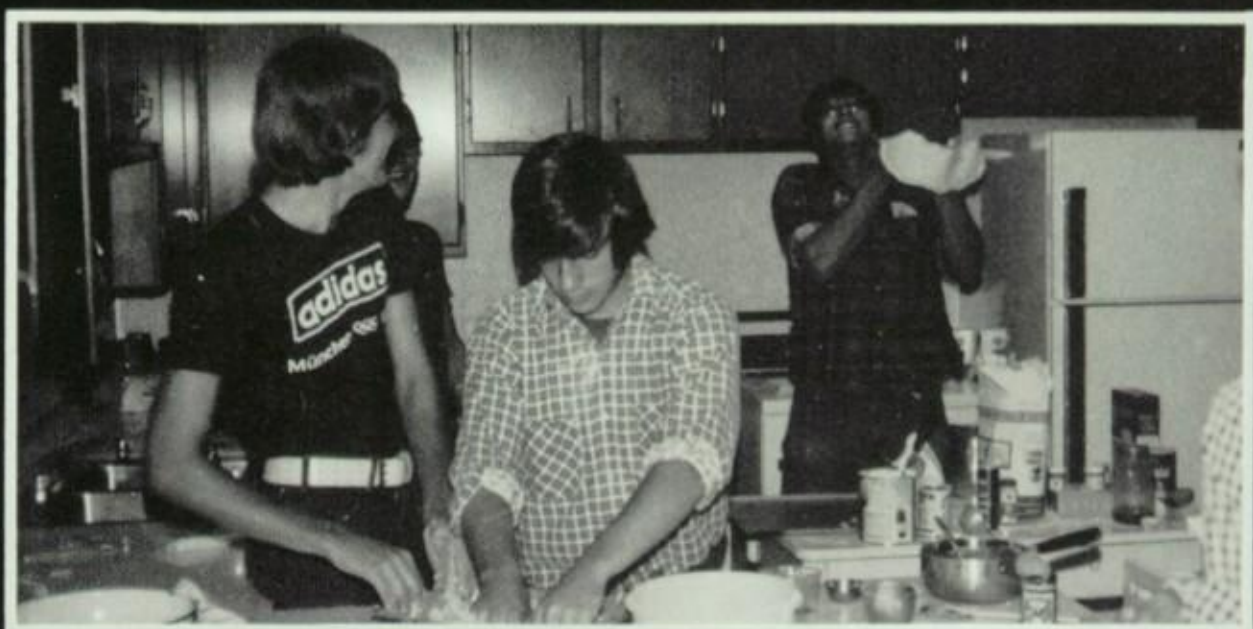

Smiles we gave to one another

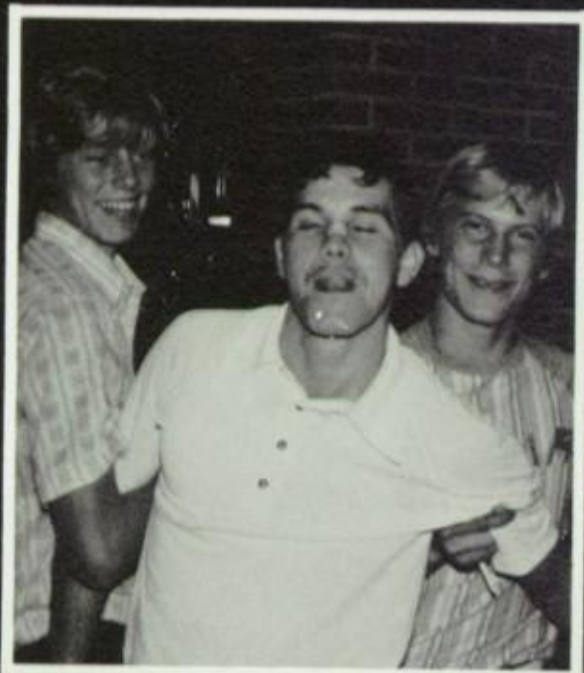

For the way we were.

**Can it be that it was all so
simple then,
or has time rewritten every line?**

**If we had the chance to do it all again
Tell me would we . . . could we?**

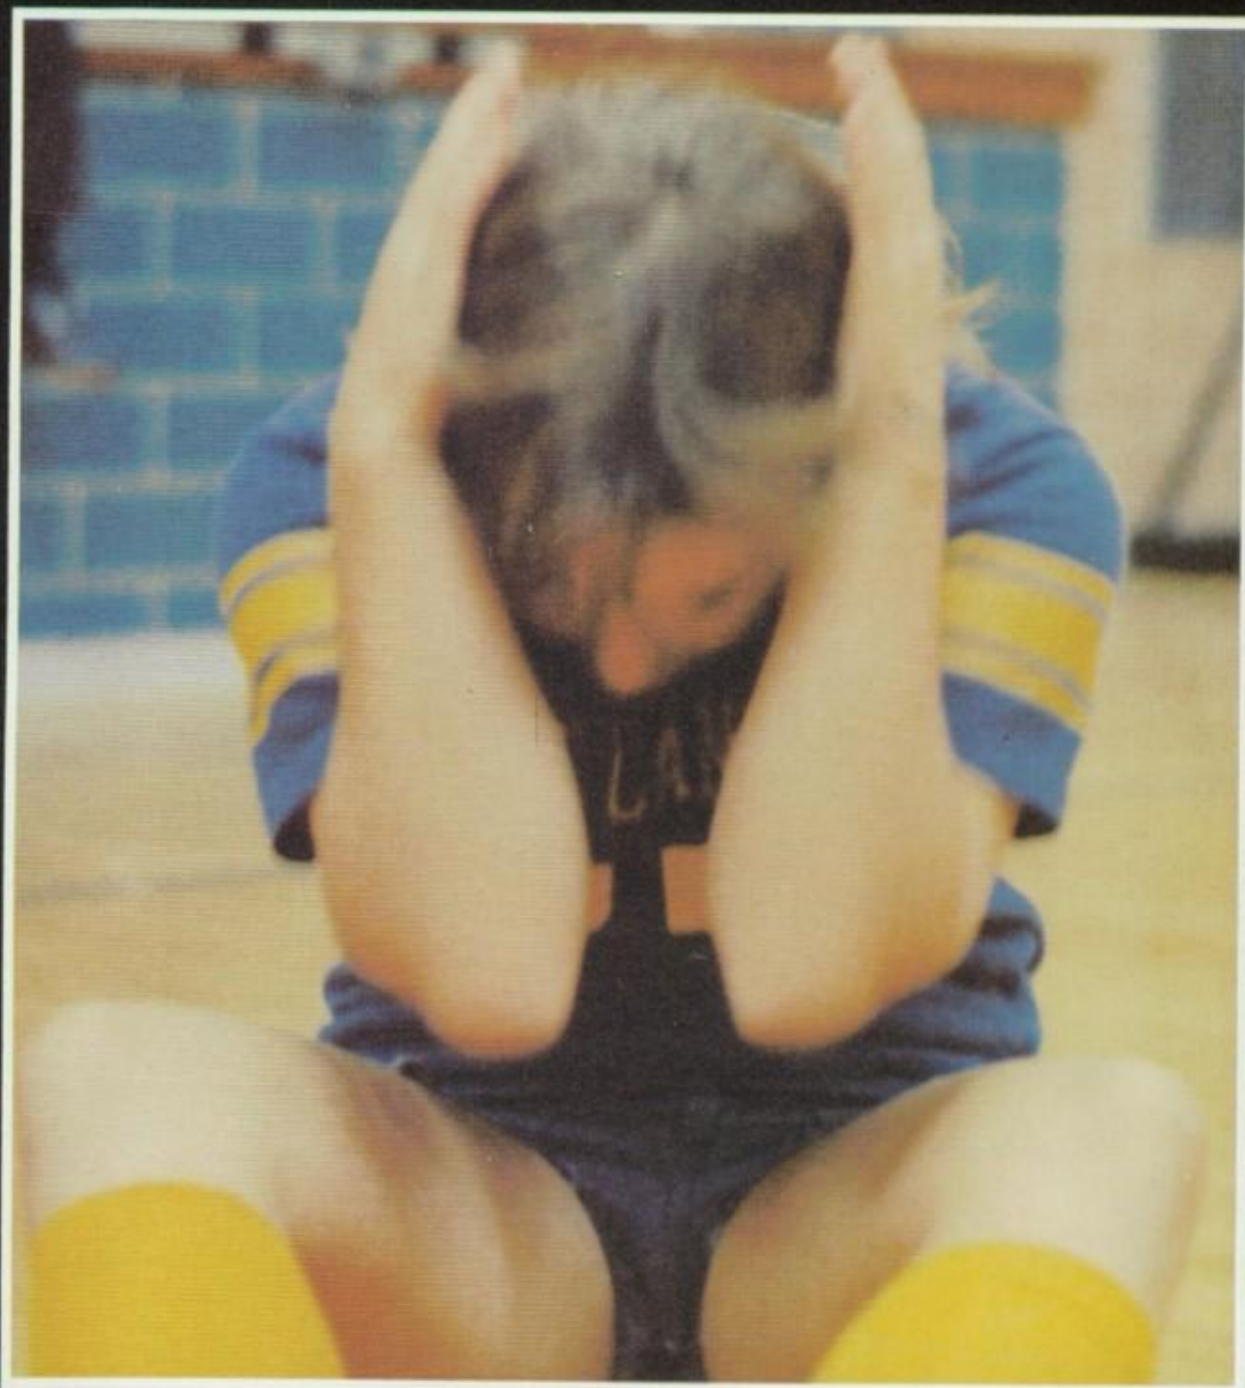

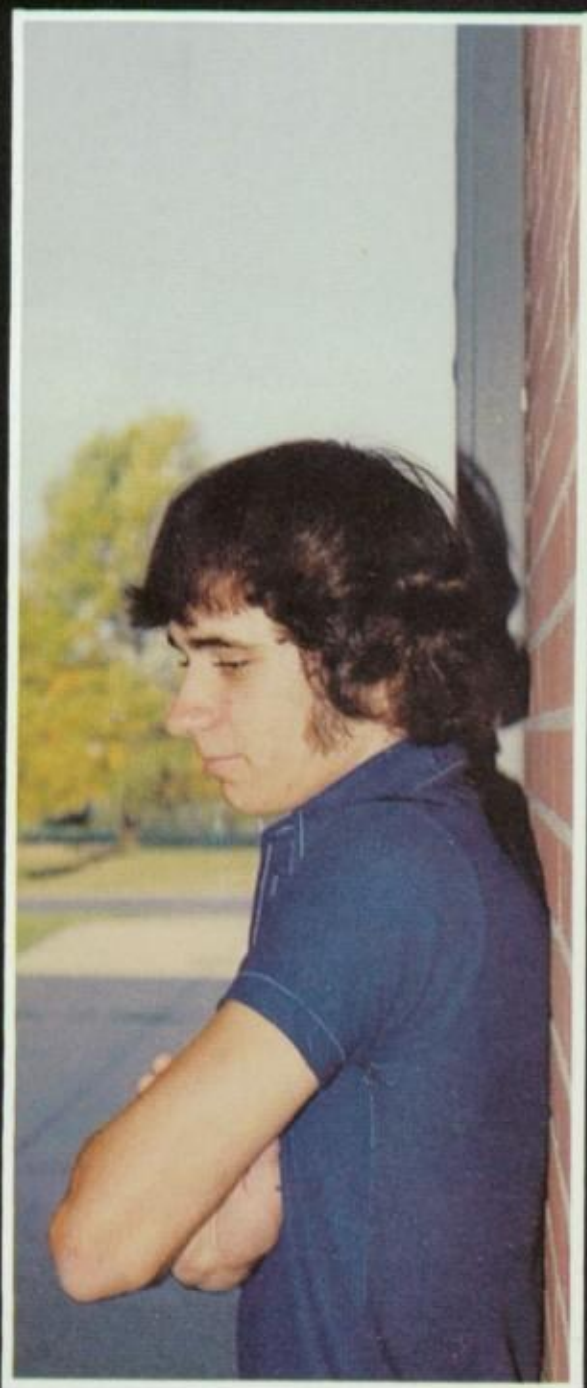

Memories . . .

May be beautiful and yet,

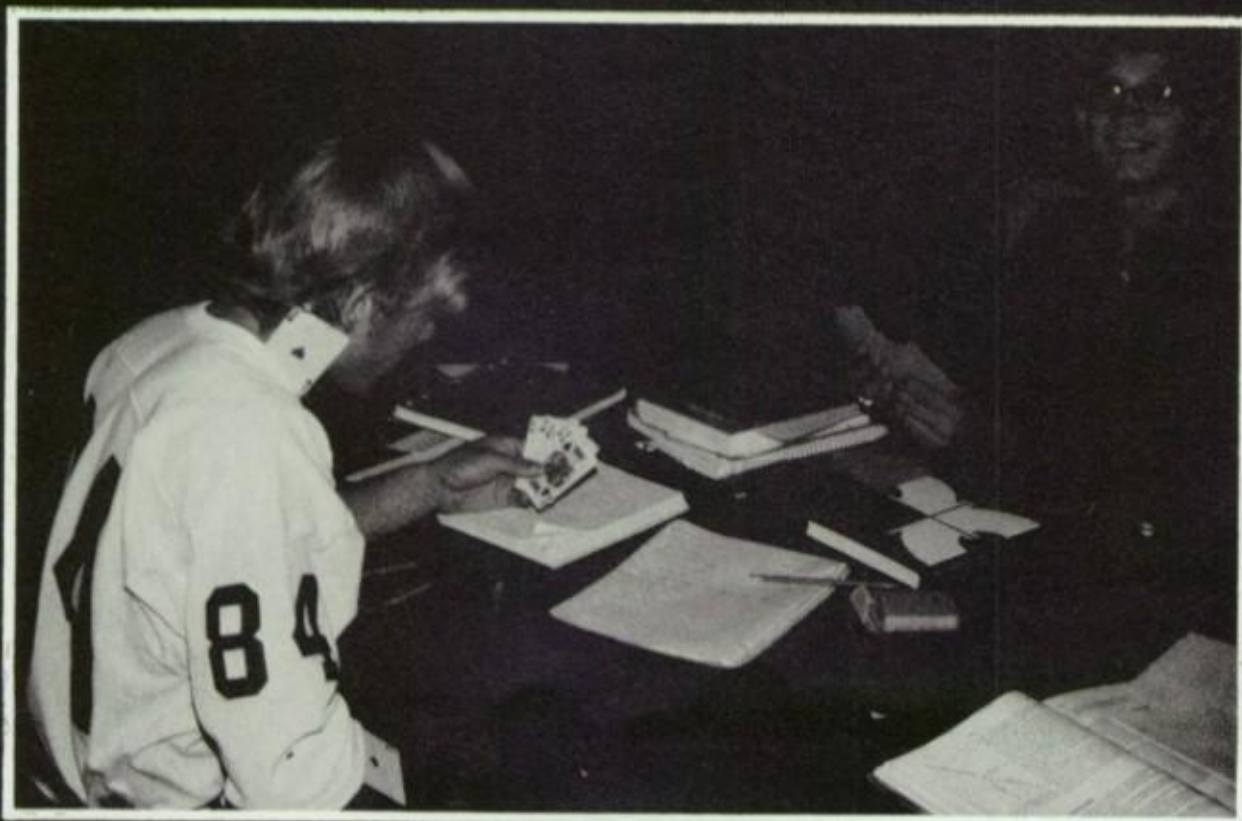

**What's too painful to remember
We simply choose to forget.**

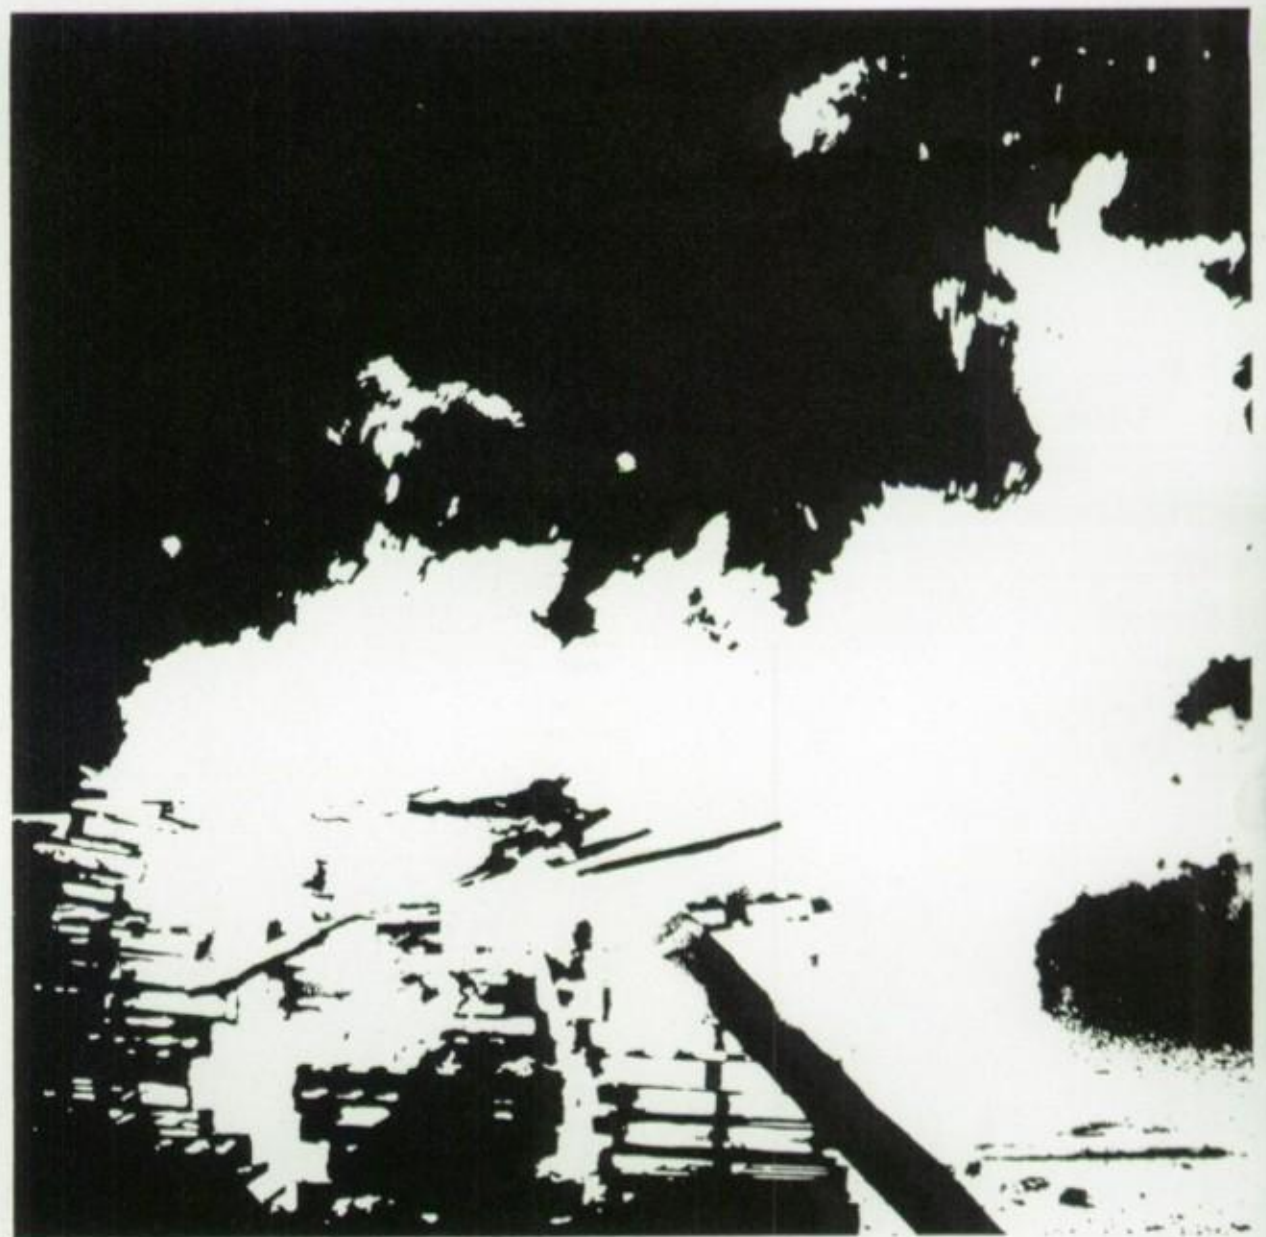

So it's the laughter we will remember

Whenever we remember the way we were . . .

The time of our lives

Big cheeze

Deserving two selected for dedication.

Thankfully and with pride, we, the Senior Class of 1975, dedicate this annual to Mrs. Mary Baran. Adding humor to your organizing ability, not only have you been the frame and structure for this year's ECHO Staff, but have also been an inspiration to all along the way. We hope this dedication is a symbol of our high esteem and thanks for all you've done.

With great pleasure, we, the Senior Class of 1975, also dedicate this annual to Mrs. Julie Conrad. You have not only been a fine teacher but also a good friend to many. We hope this dedication expresses the warmth and deep appreciation we feel for you. As you leave East Canton High School, we would like to wish you happiness and the best of luck.

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.

The class ring is representative of the fine traditions of school spirit and unity □ The yearbook provides a lasting memento of the year's accomplishments □ The diploma is a lifelong record of scholastic success □ The graduation announcement heralds this achievement □ Awards recognize academic and athletic leadership.

United States Army Recruiting

What does the two year program mean in the army you've seen advertised. The army has always had two year enlistments but what makes this a new idea is that you have a choice - job training, or an assignment in Europe. The army is the only service that will make this guarantee with a two year enlistment. Great, if you feel 3 or 4 years is more than you can spare right now. Same pay, same benefits as the longer enlistment.

THE CHALLENGE

Blessed is the man, indeed,
Who in this life can find;
A PURPOSE that can fill his days,
And GOALS to fill his mind !

The world is filled with little men,
Content with where they are;
Not knowing joys success can bring,
No WILL to go that far !

Yet, in this world there is a need,
For men to lead the rest
To rise above the "average" life,
By giving of their best !

Would you be one, who dares to try,
When challenged by the task;
To rise to heights you've never seen,
Or is that too much to ask?

This is your day — a world to win,
Great purpose to achieve;
Accept the challenge of your goals
And in yourself, BELIEVE !

You will be proud of what you've done,
When at the close of day;
You look back on your battles, won,
Content, you came this way !
